

Do you want to bless people at bridal and baby showers without breaking the bank?

One solution is a shower group!

What's a shower group?

A shower group is a few friends (5-10) who take turns representing the group at baby or bridal showers.

How does it work?

Each group decides what the contribution per member will be and they rotate responsibility.

For instance, if I were in a group of 10 ladies and we decided we wanted to spend \$5/person on shower gifts, then when it's my turn to represent my group at the shower I'll:

- ✓ Buy a \$50 gift (10 people X \$5)
- ✓ Fill out a card with all group member's names
- ✓ Attend the shower on behalf of my group

The next 9 showers the group gift will be the responsibility of my group members until my turn comes around again!

Does our group have to attend every shower?

Each group gets to decide how much or how little they feel comfortable doing. Maybe your group only wants to do baby showers or only wedding showers for a season of life. Discuss it as a group.

What if I want to buy a gift separately for a special shower?

Talk it over with you group. Generally, personal gifts are in addition to the group gift.

How can I get started?

Just organize it with your friends!

Then pay attention to the shower announcements on the [Women's Ministry](#) page to see who you can bless.

Helpful tips:

Have someone who is a good administrator keep track of who's responsible for the shower gift and who's on deck.

Be dependable and communicate if something comes up and you need to switch.

Check in as a group occasionally to make sure it's still working for everybody.

****Please note: First Colony Church of Christ does not administer Shower groups. They are independently organized.**
