FRIENDSPEAK

Interested in becoming a volunteer?

The goal of FriendSpeak is to give our international neighbors the opportunity to practice conversational English and give exposure to the Gospel through reading scripture, relationship and conversation. Volunteers are paired with individuals who are seeking help with their conversational English. Sessions are once a week, last one hour and one on one. A mandatory training is provided where you will learn how to become a great conversational partner. You can make a difference today as we have a waiting list of Readers ready to start FriendSpeak.

THE WISDOM OF GOD

By Nancy Guthrie

Wouldn't you love to be wise and know the God who is Wisdom himself? This 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and the Song of Solomon mines the Wisdom Literature not only for wise principles for living, but also for the wise person these books point to through their drama, poetry, proverb, and song—Jesus.

THE SERMON ON THE MOUNT

By Jen Wilkin

This 10 week study on a familiar sermon will dive in and explore what it means to be a citizen of the kingdom of Heaven! This sermon explains what the life of a Christ-follower would look like. It was a message intended to turn upside down every expectation that Jesus' closest followers had at the time. It's both practical and profound because of the questions that Jesus raised: How should a disciple relate to sin? To others? How does a disciple think, speak, act? Seat yourself on a mountainside to learn at the feet of Jesus.
